AND CEDAR VIEW TRAIL CLEAN-UP

SATURDAY, OCT. 10, 2015

9:00AM-12:30PM | 1:00PM-4:30PM

The Cedar View Trail is one of the Fairfield area's most popular recreation attractions. The improvements we will be undertaking will not only restore the appearance of the trail and its features, but also aid significantly in their long-term preservation.

Both morning and afternoon crews will meet at the trailhead to the southwest of S. 32nd St. Join for one session, both, or as you are able.

Volunteers are encouraged to dress for light landscaping.

There will be a break from 12:30 to 1:00.

Please RSVP to: maintenance@jeffersoncountytrails.org or by visiting the Trails Council's **Facebook Page** and Joining the Event. These contact resources are also available for questions or comments.

Materials provided by the Jefferson County Conservation Board.
